Information included in this directory was gathered by canvasers from door to door, Mrs. Anna Davis and Mrs. Solomon Hursey, mainly. We have relied upon the information given to us but do not guarantee the correctness nor assume responsibility for errors or ommission. Both business and people were given notice to seek inclusion through repeated notices in East Gary LOOK. All directories are out-of-date in some measure, the day they are issued. Babies are born, people die and move.

The Schools of East Gary

COLUMBUS SCHOOL, 2900 CLAY ST., (GARY P.O.), LAKE 2383-J.

The school population of East Gary has been increased in two years from the 1948-48 average daily attendance of 861 to 943 in 1948-49 and in 1949-50 was 1055.

In an effort to keep pace, the board constructed a one room portable building in December 1948 that now houses the high school banl, now numbering 60 pieces and improved in quality to the Superior rating from Indiana District Contest in 1950.

An addition was made to the high school building in the summer of 1949 consisting of six classrooms and an enlargement of the gymnasium. The School Town was lacking in finance and three of these classrooms and the shower and locker rooms were left unfinished. The classrooms that were finished were used to relieve the enrollment in the Central School by moving the 7th and 8th grades into the high school building. Four rooms were occupied by these two grades.

Plans are being completed to have two more rooms ready for occupancy by September 1950, one of which will be needed by the 8th grade leaving one addi-

tional for the high school where a freshmen class of more than one hundred is expected, the largest incoming class in the history of the school and will result in considerable increase in enrollment in the high school as only sixty seniors were graduated last spring.

Finances of the school system have fallen far short of the pace set by the population increase. If a maximum tax levy is maintained and the reassessment of real estate property gives an increase in assessed valuation, some relief in school finances may be expected during the school year 1951-52, however the School Town will be too far in arrearages to expect much tax relief for several years.

Air Foreign Mail and Airpost, Foreign and Domestic Parcels Post Stamps sold and parcels dispatched to the world. Special Delivery, Permt Mail is handled and East Gary Post Office is noted for prompt issue of commemorative stamps and a lively stamp collectors' headquarters for acquisition of mint issues. Home delivery is nom made from Knox st. to County Line rd., on Marquette rd. to Dombey, including 14th to 24th st. Post boxes and Mail drawers are rented. East Gary Post Office effects the delivery of mail with speed equal to the large post offices. The roomy and comfortable customer space has desks, carries postal and government notices on its bulletin boards and gives space to community notices. Here is the official place for government proclamations to be posted, declarations of war, mobilizations, public emergencies and official statements of the congress and the president. Reward notices for criminals are posted and it is the well-known spot for FBI notices of price on criminals and warnings of crime and criminals. The Army, Navy and Air Force use its bulletin boards for colorful recurring posters of far flung, World Army, Navy and Air Posts and Stations.
